Re: Reference for Mr. Omar Ramirez, Managing Director for ARM Caribbean Ltd. located in Nassau, Bahamas

To Whom it May Concern,

Woslee Construction Company Limited (WCC) has had a business relationship for mechanical services with Mr. Omar Ramirez for over eleven years on numerous projects throughout the Commonwealth of the Bahamas. We are aware that Mr. Ramirez is currently the Managing Director of ARM Caribbean, Ltd. and believe that his professional track record will be transferred to ARM's employees, clients and associates.

WCC past experience with Mr. Ramirez has consistently been successful, insightful and professional. His professional approach, honesty, integrity and knowledge in the Mechanical engineering and BMS service fields have always added value to the projects that we have been working on together. We have been involved in over \$6,000,000 of HVAC works directly managed by Mr. Ramirez over the past 11 years with excellent results and service beyond expectations. We are currently in final negotiations with Mr. Ramirez for a office building HVAC mechanical system contracted to ARM Caribbean, Ltd.

We believe that Mr. Ramirez will be very successful with his endeavors in this recently formed company. In addition, we know that the support and experienced of the ARM Caribbean team, which includes their equipment assets, knowledge in the field and the partnerships they have with local and international firms, will assist with the companies future success.

Should you require any further information regarding Mr. Omar Ramirez or ARM Caribbean, Ltd., please contact the writer.

Yours very truly,
